

14 Day Transatlantic Cruise

April 10 - 24, 2010

A cruise ship or a work of art? Once onboard, we think you'll agree this cruise ship is a revolutionary masterpiece if ever there was one. Not only does it sail effortlessly through the waters of the Caribbean, it contains some of the cruise industry's most amazing features – a rock-climbing wall, a basketball court, an ice-skating rink and an in-line skating track. Dare we say there's more? What about a five-story theatre, a casino, a miniature golf course and a spectacular three-story dining room? This 138,000 ton nautical wonder has it all!
